

Leadership Recommendation Form

DO YOU WANT TO CONNECT WITH A NATIONAL NETWORK OF YOUNG LEADERS?

What is our bold and ambitious mission?

Our mission is to connect the most influential leaders on campuses across Australia with opportunities for professional development, mentorship and ambassadorial positions.

What's in it for you?

- The immediate win is that for zero cost, you are introduced to a network of likeminded leaders seeking to have the biggest possible impact for the communities they serve. If you are looking for ideas on how to increase sponsorship, how to collaborate with other clubs and societies, or how to proceed to the next stage of your career in a position of leadership, this community is for you.
- You're offered the opportunity to engage in our Tiered Collaborative Mentoring system as either a:
 - o **Professional Connector**, who has graduated from a position of leadership on campus and successfully gained a professional position;
 - o **Senior Mentor**, who has held a leadership position for a minimum of one year;
 - o **Campus Mentor**, who is in their first year of leadership;

All positions will be connected with others at a similar level as offered the opportunity to connect with those with less experience to pass on the lessons learned from your challenges and successes.

- The opportunity to attend, in person or virtually, a range of professional development seminars and connect with a range of future employers, for you and your network, including the largest innovative corporates, social enterprises and a variety of brands.
